

## PRODUCT INFORMATION

Warning: Undefined variable ShasAttributeValueDescription in C:\www.root\mirror.dimablo.com\wp-content\plugins\woocommerce-print-products\public.class-woocommerce-print-products-public.php on line 2806 bM205 Clone ID

ANGPTL3

ANG-5; ANGPT5; ANL3; FHBL2 Synonyme

Host Species Rabbit

Anti-ANGPTL3 antibody(DM205); Rabbit mAb Description Delivery In Stock

Uniprot ID Q9Y5C1 IgG type Rabbit IgG Clonality Monoclonal Reactivity Human Application ELISA; Flow Cyt

Recommend Dilutions ELISA 1:5000-10000; Flow Cyt 1:100

Purification Purified from cell culture supernatant by affinity chromatography

Formulation & Reconstitution Lyophilized from sterile PBS, pH 7.4. Normally 5 % – 8% trehalose is added as protectants before lyophilization. Please see Certificate of Analysis for specific instructions of reconstitution.

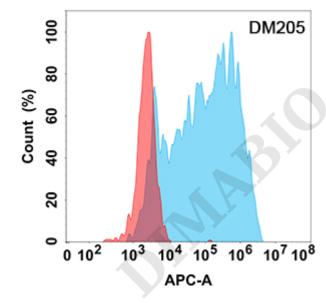

Storage & Shipping

Special 20°C to 80°C for 12 months in lyophilized form. After reconstitution, if not intended for use within a month, aliquot and store at -80°C (Avoid repeated freezing and thawing). Lyophilized proteins are shipped at an ambient temperature. The necodes of the protein which is expressed predominantly in this gene encodes a member of a family of secreted proteins that function in anjoignesses. The encoded protein, which is expressed predominantly in important for ligid metabolism; while the C-terminal chain is important for ligid metabolism; while the C-terminal chain may be involved in angiogenesis. Mutations in this gene cause familial hypobetalipoproteinemia bype 2.

Usage Conjugate Research use only Unconjugated

Background

All DIMA recombinant antibodies are genuinely generated by DIMA Biotech. They are all under patent application. Any protein sequencing or reverse engineering attempt is prohibited. We are actively scrutinizing all patent application to ensure no IP infringement.

**Figure 1.** Flow cytometry analysis with Anti-ANGPTL3 (DM205) on HEK293 cells transfected with human ANGPTL3 (Blue histogram) or HEK293 transfected with irrelevant protein (Red histogram).
