Cat. No. DMC100286B

## PRODUCT INFORMATION

Warning: Undefined variable shasAttributeValueDescription in Cs\www.root\wirror.dimablo.com\wp-content\plugins\woocommerce-print-products\public.chass-woocommerce-print-products-public.php on line 2806
bMC286 Clone ID

SI AMES

CD84;SLAMF5;LY9B;SLAMF5 Synonyme

Host Species Rabbit

Biotinylated Anti-SLAMF5 antibody(DMC286); IgG1 Chimeric mAb Description

Delivery 2-3 weeks Uniprot ID Q9UIB8

lgG type Rabbit/Human Fc chimeric IgG1

Clonality Monoclonal Reactivity Human Applications Flow Cyt Recommended Dilutions Flow Cyt 1:100

Purification Purified from cell culture supernatant by affinity chromatography

Lyophilized from sterile PBS, pH 7.4. Normally 5 % – 8% trehalose is added as protectants before lyophilization. Please see Certificate of Analysis for specific instructions of reconstitution. Formulation & Reconstitution

Storage & Shipping

specific instructions or recrostruction.

Store at -20°C to -80°C for 12 months in lyophilized form. After reconstitution, if not intended for use within a month, aliquot and store at -80°C (Avoid repeated freezing and thawing). Lyophilized proteins are shipped at ambient temperature of the recommendation of the specific properation of the specific properation of the specific properation of the signaling hypoprocyte activation molecule that is a remitted for the signaling hypoprocyte activation molecule that is expressed in numerous subset of the larger CDZ cell-surface receptor (g superfamily. The encoded protein is a homophilic adhesing molecule that is expressed in numerous immune cells types and is involved in regulating receptor-ineclated signaling in those cells. Afternate splicing results in multiple transcript variants.

Usage Research use only

Conjugate

Biotinylated

All DIMA recombinant antibodies are genuinely generated by DIMA Biotech. They are all under patent application. Any protein sequencing or reverse engineering attempt is prohibited. We are actively scrutinizing all patent application to ensure no IP infringement. DIMA Disclaimer
